**MINISTRY PARTNER OF THE WEEK:** Mission Aviation Fellowship (MAF). Read more in our online [Outreach magazine](#), p17.

MAF has brought help, hope, and healing to the most isolated people in the world for almost 80 years. In fact, every 5.5 minutes, an MAF aircraft takes off or lands somewhere in the world, creating lifelines to isolated communities by providing medical care, emergency relief, long-term development, and Christian hope. Today, we operate the largest private fleet serving 30 countries with the sole purpose of seeing isolated people transformed by the love of Christ.

MAF partners with both international and local organizations, and individuals to affect change in the countries and communities where we serve. We do this by partnering with more than 1,500 organizations and thousands of individual doctors, missionaries, pastors, and aid workers.

We also manage the aviation training program at Prairie Aviation Training Centre (PATC), operating out of Three Hills, Alberta. PATC exists to train Christian aviation professionals to serve God's Kingdom through technical aviation and preparing them to serve around the world.

We are grateful for the support of McKernan Baptist and thankful for your partnership; because of you, we are MISSIONS FEST ALBERTA 'Flying for Life.' Please pray:

- That MAF continue to fly medical teams, emergency food, and other supplies to thousands at a refugee camp on the border of S. Sudan
- For families serving overseas, who work tirelessly toward a selfless goal
- For the hearts and minds of Canadians to support MAF, whether through prayer, donations, or serving overseas

Visit, [maf.ca](http://maf.ca), Facebook, X, or YouTube ([@MAFCanada](#)) or connect with McKernan's local MAF representative, Ron Yeske (780.469.6919).
