Read more in our online [Outreach magazine](#), p11.

Cornerstone Counselling is the only Christian not-for-profit counselling agency in Edmonton and our team is committed to providing professional, accessible, and affordable mental health services to everyone.

As a Christian organization, it is our duty to care for our neighbours and help those in need, and we strive to show the love of God in everything we do. In 47 years, we have helped approximately 90,000 people improve their lives and find strength, healing, and health.

Our diverse team of certified counsellors, clinical social workers, and registered psychologists provides a wide range of mental health services to individuals, couples, families, teens, and children as young as four years old. We utilize a variety of treatment modalities to assist clients who are experiencing a broad range of issues including emotional distress; addictions; trauma, violence, and abuse; relationship issues; coping and behavioural issues; grief and loss; and more. We also host workshops and support groups throughout the year that all community members are welcome to attend.

Cornerstone Counselling would like to thank McKernan Baptist Church for your ongoing support of our mission to demonstrate the inclusive love of Jesus by offering services that promote mental, emotional, and relational wellness.

Please pray that Cornerstone will have the opportunity to show God's love to people and help those affected by mental illness in our community.
