Arrogance & Anxiety

1 Peter 5

Arrogance and Anxiety are connected.

If only or in spite of?

Passive victims or mighty warriors?

What is your role?

What does God do?

Discussion Questions

1. When you are with a group of people, who doesn't measure up, you or the others?
2. Share an experience that your lack of humility resulted in an anxious event?
3. What is your subtle hairline crack that could be devastating as you experience pressure?
4. How do you clothe yourself in humility?
5. What anxiety do you need to cast upon God?
6. What is an indication that you are either an 'if only' or 'in spite of' person?
7. How are you fighting being passive and intentionally being active as you resist the devil's deception?
8. How are you being gracefully broken for God's glory and your sanctification?

Welcome to McKernan Baptist Church!

We are delighted that we have this opportunity to join together with you in heartfelt worship. We aspire to be people that fulfil our calling as sisters and brothers in the Family of God as we love God and love one another. We are not perfect here; but Jesus is. By His grace, we are His church. You are welcome here.

MINISTRY PARTNER OF THE WEEK

Hands at Work (Read more in our online [Outreach magazine](#), p14)

Hands at Work is a non-profit organization based in S. Africa with the goal of connecting the Church in sub-Saharan Africa to the Global Church, caring for the spiritual, emotional, mental, and physical needs of the poorest populations, most commonly widows and orphans.

Through the power of the Holy Spirit, we unite believers around the world in a common goal by cultivating relationships through Care Points in poor communities. While children experience the love of Christ, their home caregivers are able to pursue their own well-being.

We are partnered with a village Care Point in a community called Kafubu Block (K-Block) in the Luanshya region of Zambia. Here, 60 children in K-block experience Christ through prayer, relationships, and finances.

Each year we host a walk/run to raise awareness for the incredible work being done in Africa. We're also planning on taking a team to Zambia next year to visit K-Block and develop our relationships with the care workers and children.

For more information and prayer requests, read about Hands at Work in [McKernan's online magazine, Outreach](#).
